

Registration opens for the International German Championship 2025

Dear Finn sailors,

The registration portal for the 2025 International German Championship (IDM) at Lake Dümmer is now officially open! This exciting event will take place from **October 11–15, 2025**, hosted by the Segler-Club Dümmer e.V. (SCD), a venue known for its fantastic sailing conditions and welcoming atmosphere.

The event organizers have already assembled a highly skilled race team, and the jury, including water referees, has been confirmed. The Notice of Race (NOR) has been published, and all registration can be done through Manage2Sail.

<https://www.manage2sail.com/en-US/event/idmfinn2025?#!/>

We highly encourage early registration as it helps us with planning and the number of activities for accompanying personnel.

We also have great news for all Finn sailors! Our main sponsor, <https://www.code-zero.com/>, is offering a **25% discount** in their online store with the code *DUEMMERSailing2025* to kick off the season in style.

Make sure to mark your calendars, sign up soon, and get ready for what promises to be an exceptional event. We look forward to welcoming Finn sailors from all over the world to the Dümmer Lake in October!

Additional information can be found on our event website:

<https://finn2025.segler-club-duemmer.de/>

Sail fast and see you there!

Your Organizing Team,

Eike Lauszus, Dirk Sundermann, and Uwe Barthel
